**STIPULATION AND ORDER RE  
AGREED RIDER TO PROTECTIVE  
ORDER REGARDING THE USE AND  
DISCLOSURE OF DISCOVERY  
PRODUCED BY NONPARTY  
FACEBOOK, INC.**

1 This agreement is entered into between and among nonparty Facebook, Inc. (“Facebook”) and the parties to the two actions captioned above, *Kater et al. v. Churchill Downs Incorporated, et al.*, No. C15-0612-RSL (the “*Kater Action*”) and *Thimmegowda v. Big Fish Games, et al.*, No. C19-0199-RSL (the “*Thimmegowda Action*” and, together with the *Kater Action*, the “*Actions*”), specifically: *Kater Action* plaintiffs Cheryl Kater and Suzie Kelly; *Thimmegowda Action* plaintiff Manasa Thimmegowda (collectively with Ms. Kater and Ms. Kelly, “*Plaintiffs*”); *Kater Action* defendants Churchill Downs Incorporated and Big Fish Games, Inc.; and *Thimmegowda Action* defendants Big Fish Games, Inc., Aristocrat Technologies, Inc., and Churchill Downs Incorporated (“*Defendants*,” and collectively with *Plaintiffs*, the “*Parties*”). The Parties and Facebook anticipate that Facebook will produce documents in this action that contain sensitive information that is necessary to provide notice of the Class Action Settlement Agreement to members of the Settlement Class because Defendants do not possess this information. This agreement is intended to supplement the protective order entered by the Court on March 26, 2020 (ECF No. 192-1) (“*Protective Order*”).

15 Pursuant to Rule 26(c) of the Federal Rules of Civil Procedure, the Court finds good cause for the following Agreed Rider To Protective Order Regarding The Use And Disclosure Of Discovery Produced By Nonparty Facebook, Inc. (“*Rider*”).

#### 18 **PURPOSES AND LIMITATIONS**

19 Facebook Protected Material designated under the terms of this Rider shall be used by the Parties solely for the purpose of providing notice to and verifying and paying the recovery amount owed to each member of the Settlement Class. Facebook Protected Material shall not be used directly or indirectly for any other purpose whatsoever.

23 No Facebook Protected Material provided by Facebook to the Class Action Administrator under the terms of this Rider may be shared with any of the Parties, unless specifically authorized by this Rider.

1 It is the intention of Facebook and the Parties that this Rider will protect all materials  
2 produced by Facebook in the Actions unless otherwise specified.

3 **DEFINITIONS**

4 “Class Action Administrator” means Angeion Group, acting as class action  
5 administrator to effect the Class Action Settlement Agreement entered.

6 “Class Action Settlement Agreement” means the document filed at ECF No. 218-1  
7 in the *Kater* Action.

8 “Outside Counsel” means (i) outside counsel who appear on the pleadings as  
9 counsel for a Party and (ii) partners, associates, and staff of such counsel to whom it is reasonably  
10 necessary to disclose the information for this litigation.

11 “Facebook Protected Material” means any discovery produced by Facebook in the  
12 Actions.

13 “Settlement Class” has the meaning provided in the Class Action Settlement  
14 Agreement.

15 **COMPUTATION OF TIME**

16 The computation of any period of time prescribed or allowed by this Order shall  
17 be governed by the provisions for computing time set forth in Federal Rules of Civil  
18 Procedure 6.

19 **SCOPE**

20 The protections conferred by this Rider cover not only the Facebook Protected  
21 Material governed by this Rider as addressed herein, but also any information copied or extracted  
22 therefrom, as well as all copies, excerpts, summaries, or compilations thereof, plus testimony,  
23 conversations, or presentations by Parties or their counsel in court or in other settings that might  
24 reveal Facebook Protected Material.

25 Nothing in this Rider shall prevent or restrict Facebook’s own disclosure or use of  
26 its own Facebook Protected Material for any purpose, and nothing in this Rider shall preclude  
27

Facebook from showing its Facebook Protected Material to an individual who prepared the Facebook Protected Material.

### **DURATION**

Even after the termination of this case, the confidentiality obligations imposed by this Order shall remain in effect until a Producing Party agrees otherwise in writing or a court order otherwise directs, subject to the Final Disposition clause herein.

### **ACCESS TO FACEBOOK PROTECTED MATERIAL**

Basic Principles. All Facebook Protected Material shall be used solely for the purpose of providing notice to and verifying and paying the recovery amount owed to members of the Settlement Class, and not for any other purpose whatsoever, including without limitation any other litigation, patent prosecution or acquisition, patent reexamination or reissue proceedings, or any business or competitive purpose or function. Facebook Protected Material shall not be provided, distributed, disclosed, or made available to anyone except as expressly provided in this Rider.

Secure Storage, No Export. Facebook Protected Material must be stored and maintained by a Receiving Party at a location in the United States and in a secure manner that ensures that access is limited to the persons authorized under this Rider. To ensure compliance with applicable United States Export Administration Regulations, Facebook Protected Material may not be exported outside the United States or released to any foreign national (even if within the United States).

Legal Advice Based on Facebook Protected Material. Nothing in this Rider shall be construed to prevent counsel from advising their clients with respect to this case based in whole or in part upon Facebook Protected Materials, provided counsel does not disclose the Facebook Protected Material itself except as provided in this Rider.

Limitations. Nothing in this Rider shall restrict in any way Facebook's use or disclosure of its own Facebook Protected Material.

1           Designation. For the avoidance of doubt, in all circumstances not specifically  
2 addressed by this Rider, all Facebook Protected Material shall be treated as if designated  
3 “CONFIDENTIAL” under the Protective Order regardless of whether the Facebook Protected  
4 Material has been stamped or marked in accordance with that Order.

5           **USE OF PROTECTED MATERIAL**

6           It is Facebook’s and the Parties’ intention that Facebook will produce Facebook  
7 Protected Materials directly to the Class Action Administrator, with no production to any of the  
8 Parties.

9           Unless otherwise ordered by the Court or authorized through the prior written  
10 consent of Facebook, the Class Action Administrator may disclose Facebook Protected Materials  
11 only to those members of the Class Action Administrator’s staff, or to any copying, clerical or  
12 other support services working at the direction of the Class Action Administrator, to whom  
13 disclosure is reasonably necessary in order to provide notice to and/or to verify and pay the  
14 recovery amount owed to members of the Settlement Class, provided that each such person to  
15 whom disclosure is made must first agree to be bound by the provisions of this Rider by signing  
16 a copy of Exhibit A.

17           Nothing in the foregoing paragraph is intended to restrict the Class Action  
18 Administrator from disclosing to a member of the Settlement Class any Facebook Protected  
19 Material that specifically relates to that individual.

20           Certain Members of the Settlement Class: Thirty days prior to the claims deadline,  
21 and subject to Facebook’s prior written consent (such consent not to be unreasonably withheld),  
22 the Class Action Administrator shall furnish to Counsel for Plaintiffs the contact information for  
23 and Lifetime Spending Amount associated with each Settlement Class Member who (1) has a  
24 Lifetime Spending Amount of greater than or equal to \$25,000, and (2) has not yet filed a claim.

1 For the avoidance of doubt, no Settlement Class Member contact information or  
2 Lifetime Spending Amounts shall be provided to Counsel for Plaintiffs unless Counsel for  
3 Plaintiffs have been appointed by the Court as Class Counsel.

4 Any contact information disclosed to counsel for Plaintiffs pursuant to this section  
5 shall be used solely for the purpose of providing notice of the Class Action Settlement Agreement  
6 to members of the Settlement Class, and counsel for Plaintiffs shall disclose Contact Information  
7 only to counsel's staff, or to any copying, clerical or other support services working at the direction  
8 of counsel for Plaintiffs, to whom disclosure is reasonably necessary to provide notice to the  
9 member. All Contact Information relating to a member of the Settlement Class shall be destroyed  
10 by counsel for Plaintiffs upon confirmation that the member has received actual notice of the Class  
11 Action Settlement.

#### 12 **CHALLENGING DESIGNATIONS OF PROTECTED MATERIAL**

13 This Rider is intended to provide no mechanism to the Parties through which they  
14 can challenge the designation or protected status of Facebook Protected Materials.

#### 15 **SUBPOENAS OR COURT ORDERS**

16 If at any time Facebook Protected Material is subpoenaed by any court, arbitral,  
17 administrative, or legislative body, the Party to whom the subpoena or other request is directed  
18 shall immediately give prompt written notice thereof to Facebook and to its counsel and shall  
19 provide Facebook with an opportunity to move for a protective order regarding the production of  
20 Facebook Protected Materials implicated by the subpoena.

#### 21 **FILING PROTECTED MATERIAL**

22 Absent written permission from Facebook or a court Order secured after  
23 appropriate notice to all interested persons, the Parties may not file or disclose in the public record  
24 any Facebook Protected Material.

1                   **INADVERTENT DISCLOSURE NOT AUTHORIZED BY ORDER**

2                   In the event of a disclosure of any Facebook Protected Material pursuant to this  
 3 Rider to any person or persons not authorized to receive such disclosure under this Rider, or in any  
 4 circumstance not authorized under this Rider, the Party responsible for having made such  
 5 disclosure, and each Party with knowledge thereof, must immediately notify counsel for Facebook  
 6 (a) in writing, (b) use its best efforts to retrieve all unauthorized copies of the Protected Material,  
 7 (c) inform the person or persons to whom unauthorized disclosures were made of all the terms of  
 8 this Order, and (d) request such person or persons execute the “Acknowledgment and Agreement  
 9 to Be Bound” that is attached hereto as Exhibit A.

10                   Unauthorized or inadvertent disclosure does not change the status of Facebook  
 11 Protected Material or waive the right to hold the disclosed document or information as Protected.

12                   **FINAL DISPOSITION**

13                   Not later than ninety (90) days after closure of the Final Disposition of this case,  
 14 each Party and the Class Action Administrator shall return all Discovery Material of a Producing  
 15 Party to the respective outside counsel of the Producing Party or destroy such Material, at the  
 16 option of Facebook. For purposes of this Order, “Final Disposition” occurs after an order,  
 17 mandate, or dismissal finally terminating the above-captioned action with prejudice, including all  
 18 appeals.

19                   All Parties that have received any such Discovery Material, as well as the Class  
 20 Action Administrator, shall certify in writing that all such materials have been returned to counsel  
 21 for Facebook or destroyed.

22                   **MISCELLANEOUS**

23                   Termination of Matter and Retention of Jurisdiction. The Parties and Facebook  
 24 agree that the terms of this Rider shall survive and remain in effect after the Final Determination  
 25 of the Actions. The Court shall retain jurisdiction after Final Determination of the matter to hear  
 26 and resolve any disputes arising out of this Rider.

Successors. This Rider shall be binding upon Facebook and the Parties hereto, their attorneys, and their successors, executors, personal representatives, administrators, heirs, legal representatives, assigns, subsidiaries, divisions, employees, agents, retained consultants and experts, and any persons or organizations over which they have direct control.

Discovery Rules Remain Unchanged. Nothing herein shall alter or change in any way the discovery provisions of the Federal Rules of Civil Procedure, the Local Rules for the United States District Court for the Western District of Washington, or the Court's own orders. Identification of any individual pursuant to this Rider does not make that individual available for deposition or any other form of discovery outside of the restrictions and procedures of the Federal Rules of Civil Procedure, the Local Rules for the United States District Court for Western District of Washington, or the Court's own orders.
